# Continuing Education

Although much was discussed in the book *How to Write a Book ASAP*, I would like to continue working with you in your quest to finish your book.

As your personal coach, I will take you by the hand and guide you step-by-step through the intimidating and often confusing process of writing your first book.

As a valuable member of my How to Write a Book ASAP Online Training Course, you will receive exclusive and instant access to me, Garrett Pierson, as your mentor. You will also receive this workbook and several volumes of comprehensive, step-by-step video training guides.
